

ELKHORN AREA HIGH SCHOOL
ALL SPORTS BOOSTER CLUB
MINUTES
October 1st 2014

Ward Philips called the meeting to order at 6:30pm.

Present: Shelly Higgins, Eric Larsen, Tara Czerwinski, Tammy Monteith, Ed Scaro, Laina Papenfus, Marge Gahart, David Welsh, Steve Constable, Laura Humphrey, Dean Wilson, Ward Phillips, JoAnn Schaffer, Renee Wilging

Secretary's Report – Accepted as printed Ed Scaro/JoAnne Schafer

Financial Report – 65,001.57 is our current balance. Price increases in concessions should increase profit margin and make it more in line compared to years in past. Approved by Shelly Higgins/ Ed Scaro

Concession Report – We have 11 more events and the weather is really helping in sales. Middle School Football is very busy but not a large group of 8th graders playing so smaller turn out but parents are good help. The new cash register has been received. Powder puff football will have Deca using the concessions. Thank you to Cindy Balestrieri for donating popcorn and oil from a family function to EASBC. Saturday November 8th is the craft fair. Joanne and Renee have committed to help. Saturday November 15th penguins are using concessions. Coaches meal tickets are set at \$2.50 each.

Presidents Report – Newsletter did go out but officers need to be updated. There was additional postage due and Ed will check out with Advanced Printing on that to see how to correct this in the future. Ward met with facilities board for school expansion. Training facility is “on the table”. We need to all contact the school board to support this and make sure they stay “on board” with this. Booster shirts arrived and turned out great.

Athletic Director Report – Backpacks that we bought were a bit more than estimated due to the additional cost to add the Booster Logo but they turned out exceptionally. VIP came out and did all the team photos. November 24 they will be out to do the photos for the winter program/sports. Mass registration for winter sports is 10/20 from 6 to 8 need booster reps. Will be Ward Renee Dave and Eric. Found that 2 of 3 basketball championship banners were “altered” repairs are being figured. Booster and Rotary may help with this cost. Mats for gymnastics are being purchase from Burlington (used) \$500.00 we have to pick them up. Sold old mats from wrestling and gym floor to WCGC for \$600 they need to pick them up. Youth wrestling is looking at coming to the high school for practice as they are no longer going to stay in the same facility. Baseball coach would like to have check for equipment cut now so they can be here by the time season starts. We are still looking for a girls basket ball varsity coach.

OLD BUSINESS

Mineral Point Wall of Fame – Ward, Ed and Principal Trottier working on this now

Canopy- Eric is pricing them out; possibly getting them customized with Booster logo

NEW BUSINESS

Fat Head fund raiser being done by Tara Czerwinski. \$20 for fat head can be put taken home or put on walls at school with your alumni athlete or current students name on it. Forms available on website and office.

Dave at College town to go over “fan active” banners and foam heads. The sky is the limit. Consider coaches using for athlete awards. He is getting quotes for our fat heads for the concession areas

Fall pocket schedules are done – Winter need a sponsor will be checking with Kunes because Tasch was always our prior sponsor. If not we need to seek out another business.

Next meeting date November 5th 630 in the Library

Meeting adjourned – approved by JoAnn Schaffer and Renee Wilging

Respectfully submitted
Renee Wilging
